ASHA JADEJA MOTWANI SUPPORTS MentorConnect AT TIECON 2021

As part of TiEcon 2021, Asha Jadeja is delighted to be supporting MentorConnect, a flagship Tiecon program where a structured environment for mentorship is provided to TiEcon attendees.

This is an exciting opportunity for all the RC fellows to connect with mentors in Silicon Valley, forging new connections and support for their startups. As part of Asha's sponsorship, MJF have reserved 50 seats exclusively for their RC Fellows.

To register, use the code "MJF" at –

MentorConnect at TiEcon 2021

With over 200 speakers, 7800 attendees, and over 1000 industry leaders, TiEcon 2021 is a major opportunity to be part of one of the world's largest ecosystems for technology professionals, entrepreneurs, tech influencers, domain experts, enterprise executives, venture capitalists, and educators.

The mission of TiEcon 2021 is to foster tech entrepreneurship globally, involving both emerging and successful entrepreneurs, executives, government delegations, technologists and working professionals. Through multiple tracks and programs, the conference focuses on today's trending technologies and domains, while providing a great networking platform.

Here, you can select the mentors with whom you want to connect in an exclusive talk and seek guidance from. To learn more about the mentors you can interact with, visit:

<https://www.tiecon.org/mentor-connect>

Asha will be managing the track this year, so please feel free to reach out to us if you have any questions or concerns. Lets take the maximum benefit of this program to level up our startups!

Rajiv Circle Fellows can get free mentoring and TiEcon non-member passes with code **MJF** <https://www.tiecon.org/register>

[When you register, please select Non-TiEcon Pass and MentorConnect Add On.]
